## Sherman Parish Funeral Held Friday

One of Coleman's First Settlers; Came To Pass in Covered Wagon in 1898.

Death quietly closed the eyes of West Sherman Parish, bachelor, 87 years, after a brief illness, in the local Miner's Union hospital at 4:30 p.m., Wednesday, July 28, thus severing the district's oldest link with the past.

The deceased was ill for only a week and was admitted to the hospital on Tuesday, the day before he passed away.

Born in Kansas City in 1861 he travelled to Canada and Coleman by covered wagon and a six-horse team arriving here in 1898. He homesteaded about three miles west of Coleman where he ran a large herd of cattle up until 1938 when he retired. He was still living on his old homestead at the time of his death.

Mr. Parish spent much of his spare time hunting and trapping at which he was an expert. The creek running through his property and directly by his door has been nicknamed through the years as Parish's Creek although the official name is Allison Creek.

The deceased is quoted in saying that when he arrived in the Pass you could shoot wild game such as deer and goat from his back door. The nearest store in those days was at Macleod and it took a week to get supplies.

Funeral services were held from the Salvation Army Citadel, Friday at 2 p.m. with interment in the Union Cemetery. Pallbearers were Wm. Brown, Wm. Hoggan, Herb McGillivray, Wm. Antie, Harry Boulton and Jim McGilligan.

The only surviving member of the family is a brother Ted who is thought to be living somewhere in Texas. All attempts to contact him were in vain.

## CARD OF THANKS

We wish to thank Dr. E. Aiello, nurses and Mr. Harry Harris of the Miner's hospital for their kind services during the illness of Mr. Sherman Parish. We also wish to thank those who sent floral tributes, the pallbearers and those who in any other way assisted.

Wm. Brown and Wm. Hoggan

## CUBS TIE MINERS WITH 4-4 SCORE

Playing at Hillcrest on Friday, July 30, the Coleman Cubs and the Hillcrest Miners played to a 4-4 tie, in the second match of the C.N.P. Senior Baseball playoffs. The match was called at the end of the ninth because of darkness.

The match, a pitching duel between "Stumpo" Kimoto and Johnny Elick was evenly fought throughout. Elick struck out 9 Cubs while Kimoto fanned 5 Miners. Coleman, however, out-hit their rivals eleven to seven.

Costly errors by the Coleman nine resulted in three unearned runs which prevented a win for the Cubs who have now lost Hillcrest playing surprisingly good playoff baseball.

Roy Kayaski and Jimmy Kitaguchi led the batters each collecting three hits. Gubrie collected two for three to spark his teammates at the plate.

## Grade XII Students Receive Notification

Monday was a red letter day for many a student here as the Grade XII departmental examinations results were received.

In the mail Monday morning, the envelopes stamped with the department of education letterhead, brought both joy and sadness as some students found they had to repeat courses and others discovered they had made the grade and could go on to higher education.

As no complete list of results is received by the principals of the high schools it is not yet known how the results in the town were generally. At the time of examinations, however, most students thought they were "tougher than usual."

Grade nine students are still wondering. Their departmental examination results will not be published until some time at the end of the week.

Now that the marks are out, it means that those who are going to try to write the supplementals will have to begin studying all over again in the hopes that they may pass their exams. Those who passed can begin to really enjoy their holiday.

But one thing all the students are glad about is that the long-wondered question of "how they did" on the examinations is now answered.

## Coleman's 1948 Rodeo Queen

MISS ANNE KUCHTYN, Polish Candidate in the Rodeo Queen Contest led her opponents by a wide majority, to win the honor of being Coleman's 1948 Rodeo Queen.

## Record Crowd Attended Coleman Rodeo To Make It An Outstanding Success; Many Top Riders Entered

Parade Stretched Almost Three-Quarters Of A Mile And Ranked High Among Former Outstanding Parades; Many Indians Entered.

Everything that the Rodeo executive and citizens had hoped for happened on Thursday. The weather was well perfect; the parade ranked with the best ever seen locally, the spectators lined both sides of the street four to five deep, a record number of citizens and visitors thronged through the turnstiles to witness the Rodeo, the Rodeo itself was exceptionally good, the animals putting up stiff fights every time out and the riders, led by world champion bronco rider Carl Olsen, rode like the champions they are.

Saturday morning dawned with light fleecy clouds riding high in the sky and the wind velocity was nil. As ten o'clock drew near several hundred spectators were lining the streets to listen to the large Michel-Natal brass band led by its two maitly attired and smart stepping majorettes play snappy marching music. At 10 a.m. the three Queen candidates, the Rodeo Queen committee, Mayor Frank Abousay, Sgt. S. M. Murray and Rodeo chairman L. S. Richards stepped onto a specially decorated float. Mayor Abousay told of the work of the committees engaged in working in the Rodeo and personally introduced Mr. Richards and the Queen committee of J. Drew, H. Welens, J. Gillespie and T. Holstead.

Sgt. Murray was called upon to announce the 1948 Rodeo Queen. He revealed that 28,533 tickets had been sold and that Miss Anne Kuchtyyn, Polish Society candidate, led her closest rival by 1,550 votes. Runners up were Miss Millie Bubniak and Miss Doreen Jenkins.

1947 Rodeo Queen then crowned the new Queen with her hat of office and placed a breast ribbon bearing the inscription Coleman Rodeo Queen 1948. The Ladies-in-waiting were each presented with hats. In addition handsome prizes were later given the three young ladies.

At 10:45 the parade started to form. West Coleman Judges of the various competitions included Warren Cooper, Tony McMillan, E. Salvador, H. Drew, Arthur and Frank Graham and Mrs. W. Beck.

The best dressed Indian was Big Swan, best dressed Indian Girls were Isobel Morning Bird and Louise English; the best dressed Indian boys were Maurice Prairie Chicken and Maurice Crow Shoe.

The best decorated car was that of Edmund Abousay, Best Float belonged to that of Joe and Bill Troz representing a ranch yard, second went to the Pincher Creek Board of Trade. Fish advertising Game and Fish in that district. It had two small cubs chained to the top of the float; the prize went to Coleman B.P.O.E. and the Order of the Royal Purple.

The best dressed cowboy was Queen, Miss Kuchtyyn was crowned by Miss Margaret McLellan, Coleman's 1947 Rodeo Queen, at 10 a.m. Saturday morning.

Queen, Miss Kuchtyyn was crowned by Miss Margaret McLellan, Coleman's 1947 Rodeo Queen, at 10 a.m. Saturday morning.

Queen, Miss Kuchtyyn was crowned by Miss Margaret McLellan, Coleman's 1947 Rodeo Queen, at 10 a.m. Saturday morning.

Queen, Miss Kuchtyyn was crowned by Miss Margaret McLellan, Coleman's 1947 Rodeo Queen, at 10 a.m. Saturday morning.

## CUBS TIE MINERS WITH SUNDAY WIN

Playing before a record crowd of eight hundred fans at Coleman on Sunday, August 1, the Coleman Cubs defeated the Hillcrest Miners 10-3 to even the C.N.P. Baseball championship series at one game a piece.

The Cubs collected fourteen hits from the offerings of Guthrie and John Branchini. Lefty Kimoto scattered six Hillcrest hits and fanned nine Miners. Roy Kayaski collected three hits, two of which were triples. Billy Fraser hit three for four and George Yashinoka batted two for three as Coleman showed power at the plate.

For the losers "Whiteleg" Branchini collected three of the six hits yielded by Kimoto who coasted to a well-earned victory.

## Forestry Party To Visit Coleman On August 18

To the end that there be shelter belts for every prairie farm and proper defence of Canadian woods, waters and wildlife, the Canadian Forestry Association has organized a series of lecture tours throughout Alberta.

There are to be two parties: the eastern slope tour in charge of John Coats and the middle northern tour in charge of Murray Croll.

Dates for the tour have been set for August when the eastern slope party will start in at Jasper and work south. Points in the Crown's Nest Pass area will be visited around the middle of August. The specific dates are: Coleman, Aug. 16. Blairmore, Aug. 17. Bellevue, Aug. 18. Hillcrest, Aug. 19. Western Lakes, Aug. 20, 21.

Joe Troz and the best dressed cowgirl was Mrs. Louis Woodward, of Tod Creek.

Among the children the best decorated bicycles went to Willie Sygutek and Patricia Sosenko. Best comic to Albert Michalsky and Dedo DeCecor; best dressed novelty to Mike Milo, best dressed boy to Jerry Lonsbury, best dressed girl to Georgeann Pattinson, best comic float to Ronald Meronik.

The town was packed as the parade wended its way from West Coleman to town. One can get an idea of its length when the front of the parade was entering main street while the youngsters on their bikes and at the rear were still pumping about West Coleman's street.

Restaurants and all eating places were taxed during the brief interval between the parade and the start of the field events.

As 2 p.m. neared the Rodeo grounds started to pack with cars and humanity. The cars seemed to stream into the grounds in a never ending line and the small army of ticket sellers were hard-pressed to maintain the pace.

Sharply at the stroke of 2 the Grand Entry was made with the Michel-Natal brass band in the lead.

The events were prolonged by a fairly heavy entry of late comers who placed their entries Saturday morning despite the fact that the dead-line was Friday evening.

As a result many of the contestants' names were missing from the program. The events carried through until after 3:30 p.m. and so interesting were the events that the huge crowd remained to the very last and left only after the national anthem had been played.

Following are the results of the field events:

**STEER ROBINSON:**  
1. Buck Robinson, 9 secs., \$15.00; 2. Vance Alfred, 24 secs., \$75.50; 3. Carl Olsen, 24 secs., \$51; 4. Stan Walker, 25.1 secs., \$25.50.

## Nacmine Man Wins Queen Ticket Draw

S. Kuttay, of Nacmine, Alberta was named the lucky winner of the Rodeo Queen Ticket draw with number 15647.

The draw was made at 11:30 p.m. Saturday night in the Coleman Crystal Arena by Miss Deana Cell, of Coleman.

The winner is given the choice of 2 handsome prizes, one being a saddle pony and the other fifty dollars in cash.

The Polish Society, in conjunction with Queen ticket raffle, sponsored a special prize to the lucky holder of one of their Queen's tickets.

Walter Badjock of East Coleman, his prize being a beautiful wrist watch valued at fifty dollars.

Hillcrest Miners went one up on the Coleman Cubs by virtue of a 9-5 trimming handed to the Cubs at the local diamond on Tuesday, July 27. This was the first match of a best of five series to determine the C.N.P. Baseball champions in the Alberta Senior Baseball playoffs.

Johnny Quintillo, Hillcrest pitcher, limited the Cubs to 9 hits while the Miners clubbed the ball for fifteen safeties.

Bert Karliver and Charlie Kitaguchi led the batters as each collected three hits. Guthrie's home-run which drove in three Hillcrest players was the feature hit of the evening. Urbach, Hillcrest lead-off man, scored three runs.

The win stretched Hillcrest's winning streak to four and by their recent displays they will give the Cubs plenty of opposition before the final winner is decided.

## Hillcrest Man Is S.C. Candidate

Lundbreck--William Kovach, farmer of Hillcrest, was named Social Credit candidate for Pincher Creek-Crow's Nest constituency at a nominating convention here on Tuesday evening.

Recently Stanley Pearson of Pincher Creek was named as the party's standard bearer but he later refused to stand as a candidate because of ill health and pressure of business.

## TWO IN RACE

Two names were placed in the running at Tuesday night's convention here: Mr. J. Ankil, Pincher Creek school teacher, and Mr. Kovach. A ballot was taken with Mr. Kovach being declared the winner by a vote of 43-34.

Fred Antrobos of Coleman announced his resignation as constituency chairman on account of ill health and William Picard of Bellevue was elected in his place.

## OUR COMPLETE SHORT STORY—

## FAMILY FEATHERS

By EUNICE CASSIDY HENDRYX

IT WAS one of those "it seemed like a good idea at the time" sort of things—that wasn't. Of all the women who shouldn't try to be too helpful, a young minister's wife headed the list. Marilee Baxter thought she knew that she and Roger were married. Now she was sure she knew.

A suggestion box! That had been her brilliant idea for finding out just what the congregation might offer as a means for improving the service. She had added, "If a young, handsome, and intelligent young minister isn't enough, I'd like to know what more could be suggested."

Suggestions poured in—some amusing, a dozen or more hopelessly antiquated; and a few criticisms, constructive and otherwise.

Today when Roger brought the week's accumulation home he dumped them on the desk, then stacked them in a neat pile. He opened the one on top. "Let's have more of the good old-time religion," he read and added, "I can guess who wrote that one."

Marilee chose a bright blue envelope. "Get some new and peppier hymns!" She threw the note into the air. "Hooryay for that one!" she whooped.

"But listen to this." The serious note in Roger's voice restored her dignity. "Gut being the peacock in the family. Buy your wife some new togs and let her do a little strutting." His voice hesitated on the last word, the mean, hateful word.

"Why the—the—" Marilee couldn't think of a term strong enough to express her righteous indignation.

"He's right," Roger contended. "He's nothing. It's some catty old woman. Someone who is miffed because she hasn't made you fall for her, I'll bet."

"What kind of reasoning is that? Marilee. And is it complimentary?" he teased. "A catty old woman falling for me. Why not a charming young lady, may I ask?"

He was trying to hide his feelings. Trying to pretend it didn't hurt.

"Anyway," he declared, "the person who wrote that is right. You haven't had a decent outfit since we've been married."

"Now who is being complimentary?" I've looked like a fright, have I, Roger Baxter?"

Instantly he took her into his arms. He ran his long fingers through her short blonde curls. "You know I don't mean that, darling. But you haven't had a..."

"I've had all I needed," she interrupted.

"You should have had a lovely spring outfit this year. A purple dress and a big yellow hat."

"And bright red shoes, I suppose, you zany."

"Something bright and swank. Instead, I had a new suit, and hat, and shoes."

"You represented this district at the conference, didn't you? Roger I don't care a fig for that old note. We know why I haven't ridden myself out in all the latest fashions. First there was the baby, I didn't need anything for months before, and I couldn't have thought about fine clothes for months after he left us. Then there was your accident."

"Accident," he scoffed. "A broken little finger."

Marilee added, "And shock and numerous bruises on various and sundry parts of your anatomy. And in case you don't remember, for the past few years clothes have been high and material poor. It was the patriotic thing to do without new finery. Besides," hopefully, "don't you think it a little bit loyal for me to want you to look your best?"

"Be the peacock of the family?"

She struggled out of his arms. "Roger Baxter, if it wasn't for making that old busybody so darned self-righteous, I'd go right down town and buy myself an outfit that would knock your eye out. I may do it any day."

"Good for you, honey. But, clothes or no clothes, you're the loveliest gal in the world. You do just as you please regardless of anyone's suggestions." He gave her a quick little kiss. "I'm going out and hoe a bit in the garden."

Hoe in the garden. That was the cure-all for any of Roger's troubles. Peacock, indeed! Roger was saving, trying to help him, she was making him appear selfish and vain. What a helper she was.

She picked up the hateful note. Maybe she could recognize the handwriting. The note was typed. Nothing—but yes, there was something. Two capital letters only, but they were decidedly out of line. Roger's typing. The injured little finger never pressed the shift key quite hard enough.

"A swank new outfit! You, you..."

Only One Emotion Is Easy On Heart

CHICAGO. — Pity your enemies rather than become angry with them, and you will live longer says an eminent heart specialist.

Dr. N. C. Gilbert, professor of medicine at Northwestern University, told volunteer workers in the Chicago Heart Association's 1948 campaign to pity persons refusing to contribute but not to get angry with them.

Heart trouble "may be incited by an emotion except pity," he said. "Anger is the worst enemy of the heart; it causes more anginal pains and attacks than any of the other disturbances resulting from emotion."

## Western Briefs

LETHBRIDGE, Alta.—The lawn-sprinkler technique is being tried out on a vastly extended scale on two district farms. A new portable rotary sprinkler system is of aluminum and its layout of pipes and sprinklers distributes water from irrigation ditches like a city dweller's garden hose.

NEEPAWA, Man.—Fire of unknown origin completely destroyed the Canadian National Railway's station at Hallboro siding, six miles southeast of here on the Portage-Neepawa line. The fire, which broke out in the freight shed, spread rapidly and burned the stuccoed building to the ground in about two hours.

YORKTON.—Judging of 13 farm gardens competing in the Yorkton farm garden competition was completed by Prof. D. R. Robinson, Saskatoon, and the garden of Mrs. J. De Vries, with a total of 84 out of a possible 100 points, was awarded first prize.

EDMONTON.—Hereford cattle from Col. Victor Spencer's Earle court Farm at Lytton, took top honors in their class here. It was the second victory for Spencer cattle announced in a week. Earlier, Calgary Stampede manager Charles Yule had announced cattle from Earle court led the show there, winning \$620 in prizes.

ESTEVAN, Sask.—Plans are being made to revise the pumping system at the pump house. The project will cost about \$2,000, but it is believed that the resulting saving in power will justify the installation of the new system.

WINNIPEG.—Western Canada will be unable to meet urgent requests from Ontario for 8,000 farm laborers this summer, according to director H. R. Richardson of the provincial farm help service. He said it was unlikely more than 800 westerners would be available.

## SELECTED RECIPES

## BANGOR BROWNS

1/2 cup melted shortening  
1/2 cup molasses

1 egg  
2 squares melted bitter chocolate

1 cup flour  
1 teaspoon baking powder

Few grains salt  
1 cup nuts

Sift flour, baking powder and salt together. Mix the ingredients in the order given and beat thoroughly.

Spread the mixture evenly on a cake pan that has been lined with oiled paper. Bake about 15 minutes in a slow oven (325 deg. F.).

Remove the paper from the cake as soon as it is taken from the oven and cut into small squares or strips with a sharp knife.

## MACEDOINE SALAD

## Farmers Can Obtain Year-Round Labor

OTTAWA.—Attention farmers: If you want a year-round hired man you can get him now — and quick. The labor department says so.

In fact it said farm labor immigration from the displaced persons camps of Europe has hit a rate that allows the farmer to have his man two or three weeks after he asks the National Employment Service to find him.

The influx however, is geared to the actual number of known openings. For that reason, the department asked farmers to register immediately their needs for year-round help.

It wants to know just how large the "high demand" for such men is. Then the intake can be adjusted upward accordingly.

In a number of recent cases, displaced persons could have used twice as many Europeans as those who arrived at the local NES office.

So far 2,550 single farm workers have arrived in Canada from the DP camps. Of these, 15 went to Prince Edward Island; 18 to Nova Scotia; six to New Brunswick; 241 to Quebec; 1,162 to Ontario; 324 to Manitoba; 62 to Saskatchewan; 345 to Alberta; and 12 to British Columbia.

The department emphasized, however, that this situation was separate from the demand for seasonal workers.

## Science May Spoil Midway Freak Shows

SASKATOON.—Take a good look at the nearest bearded lady — she may be the last of her kind.

That's the opinion, anyway, of the men in charge of the midway freak show which accompanied an exhibition here.

Their complaint is that science is cutting down the number of physical originals in the human race and it may be the supply will be exhausted completely in a few years.

For one thing, medical science corrects many of nature's mistakes at birth and endangers the existence of the "freak" zone persons consider the backbone of any midway.

Consequently, any one in the freak business is constantly on the lookout for new attractions.

## WOMAN APPOINTED MANAGING EDITOR

PRINCE ALBERT, Sask. — Appointment of Mary Gardiner as managing editor of the Prince Albert, Sask., Daily Herald has been announced by Editor Burton Lewis. Her position is believed senior to that of any other newspaper woman in Canada. Miss Gardiner joined The Herald in 1942 and in the last two years was city editor and then news editor.

## Tuna Fishing Has Become Big Industry

VANCOUVER.—Marine "gold" is just waiting to be mined out beyond the flow of the Juan De Fuca Straits — and British Columbia fishermen are after it.

The gold is a scaly fin-tail—known to the grocery store buyer as tuna fish and to the men who ply the Pacific's warm blue waters as the "chicken of the sea".

A new industry here, born of the war years, tuna fishing this year is expected to bring a catch upwards of 400 tons. At more than \$600 a ton there's a sound justification for naming the catch "marine gold".

Fish packers here were modest about the early catch already in their warehouses. "Perhaps a few tons," one said. At Victoria the first haul of 5,584 pounds was landed recently.

To the fish expert the "chicken" found off B.C.'s coast belongs to the albacore family, ranging in weight from 11 to 15 pounds.

B.C. tuna fishers, new to the game, are using long lines hook-baited with "feathers". Down South, along the United States' coast, where the tuna game is not new, nets are used.

## Villagers See Ball Games On Home Made Television Set

CEDAR SPRINGS, Ont. — Cedar Spring fans have been watching big league baseball — without leaving their own village — thanks to the genius of Fred Pardo, whose home-made television equipment brings the telecasts from across Lake Erie at Cleveland.

Since he was a small boy, Fred has been a radio enthusiast. He built his first radio receiving set from scrap which included old broom wire and discarded batteries.

Fred has not yet perfected the sound track on his set, but the "silent" reception of baseball games in Cleveland has been a sensation in this part of the country.

## BOAT NECESSARY FOR HARBOR COMMISSION

WINNIPEG.—Winnipeg has a harbor, a harbor commission ... but no boat.

This was the situation reported to a city finance committee meeting which hastily recommended the sum of \$2,340 for purchase of a boat to replace the one sunk last year.

Said Ald. Ernest Hallonquist: "There's hardly any point in having a harbor commission if we haven't got a boat."

## INSURANCE NOTICE

The Superintendent of Insurance of the Province of Alberta, wishes to announce and stress that The Home Insurance Company of New York, maintaining a branch office in the Canada Life Building in the City of Calgary, Province of Alberta, is in no way connected with, affected by, or concerned with the liquidation of Home Assurance Company of Canada.

The Home Insurance Company of New York is duly licensed to carry on the business of insurance within the Province of Alberta, the said Company is in good standing and their annual reports indicate a sound and strong financial position.

Due to numerous inquiries received by this department, it is apparent that some confusion exists in the minds of the public and policy holders, caused no doubt by the similarity in names, and any policy-holder of The Home Insurance Company of New York who may have received a notice from any Board or Corporation from which that policy-holder concluded that The Home Insurance Company of New York is in liquidation, is hereby requested to entirely disregard such notice.

Appropriate measures are being taken to correct the confusion which apparently has arisen in the minds of the public and the policy-holders. In the meantime the Superintendent of Insurance feels impelled to make this announcement so that it may be definitely understood by the public and the policy-holders of The Home Insurance Company of New York that policies in The Home Insurance Company of New York are in no way affected by the events relative to Home Assurance Company of Canada.

## Record Crowd

(Continued from Page 1)

### STEER RIDING:

1. Merle Sorenson, \$88; 2. Carl Olsen, \$66; 3. Elmer Gorman, \$44; 4. Wally Graves, \$22.

The event which provoked uncontrolled laughter which rose from the spectators wave after wave was that of the Business Men's Calf Tying. The contestants included Jim Wilkie, Irvin Frew, Nick Nicholas, L. S. Richards and Aldo Montalbetti. None of the boys had experience tying the critters and the manner in which they went about their respective tasks and the huge crowd roaring with laughter. Irvin Frew, cigar in month never missed a puff while he set about tying his calf in 40 secs. and the stooge was still in his month when he was finished. Nick Nicholas really had himself a calf and wrestled with it for a minute and forty one seconds to set a new record and the crowd enjoyed every second of it.

The refreshment booths did good business and the staffs were dead tired when the final event had been run off.

Friday night a good crowd attended the Prairie Concert's vaudeville show in the arena. Unfortunately no carnival was set up on Friday night and the large crowd voiced disappointment at the lack of even a bingo booth.

Saturday night the vaudeville played to another good house following which a dance and carnival was held.

After the vaudeville show the presentation of awards for top cowboys in the South Alberta Circuit was held on the stage. The Rodeo Queen and her Ladies-in-waiting made the presentations. Top cowboys were as follows:

BRONC RIDING: Silver Bit and Spurs plus \$300 cash, donated by Sick's Lethbridge Brewery, was won by Carl Olsen of Cardston, Alberta.

CALF ROPING: Silver Bridle and Bit plus \$300 cash, donated by the Calgary Power Company, was won by Floyd Peters, of Browning, Mont.

STEER WRESTLING: Silver Bridle and Bit plus \$300 cash, donated by Canadian Western Natural Gas Company Company Limited, was won by Floyd Peters, Browning, Mont.

BARBACK BRONC RIDING: Silver Bit and Spurs plus \$300 cash, donated by Western Gode, was won by Everett Vold, Ponoka, Alberta.

WILD STEER RIDING: Silver Bit and Spurs plus \$200 cash, donated by The Calgary Brewing and Malting Company, Ltd., was won by Merle Sorenson, Margrath, Alberta.

CHAMPION ALL-ROUND COWBOY AWARD: Beautiful Wrist Watch plus \$300 cash, donated by the Standard Gravel and Paving Company, Calgary, was won by Carl Olsen of Cardston, Alberta.

### WEDDINGS

#### TURNBULL — McLEOD

The Nova Scotian Lodge was the scene of a quiet but pretty wedding on Saturday, July 31, when marriage vows were exchanged by Vera, youngest daughter of Mr. and Mrs. Patrick McLeod, of Blairmore, and Thomas Turnbull, son of the late Mr. and Mrs. Turnbull of Springhill, Nova Scotia. The ceremony was officiated by Rev. Haythorne of Blairmore.

The bride came down the stairway looking lovely in a blue dressmaker suit with white accessories, she carried a bouquet of red roses and white carnations. Her only attendant was her sister, Miss Doris McLeod, of Calgary, and she also looked lovely in a pale blue jersey dress with peplum effect, she wore a corsage of roses and carnations. Attending the groom was his brother, Roy Turnbull. The bride's mother looked charming in a pink flowered jersey dress. She wore a corsage of roses and carnations.

After the ceremony a number of friends and relatives sat down to a delicious wedding luncheon. A toast to the bride was proposed by the Rev. Haythorne to which the groom responded. Mrs. E. R. Kennedy and Miss Sid Valentine shared honors in serving the luncheon. The table was centred with a three-tiered wedding cake and the room was decorated for the occasion with white wedding bells.

Out-of-town guests attending the wedding included Mr. and Mrs. W. Miller, of Kimberley, aunt and uncle of the bride, Mr. Mosslyn Hadwell, of Calgary, Mr. Hadwell, of Blairmore and Mr. and Mrs. J. McDougall and Doss of Blairmore all close friends of the newly weds.

#### MISCELLANEOUS SHOWER

A miscellaneous shower was held in the I.O.O.F. hall on Wednesday, July 21 in honor of Miss Wilma Michalsky.

Whist was played with winners being Mrs. C. Heck, Mrs. Dick and Mrs. L. A. Caroe, sr. The bean guessing contest was won by Miss Helen Ziaka.

After a dainty lunch served by the hostesses the guest of honor was the recipient of many beautiful gifts for which she

thanked those present.

Hostesses were Mrs. C. Amatoto and Mrs. H. Veroni of Blairmore, Mrs. O. Cernez of Frank, Mrs. Anne Vasek, Misses Adella Churla, Helen Pachkowski, Anne Sikora, Irene and Helen Hazuka and Anne Kuchtyk, of Coleman.

#### CARD OF THANKS

I wish to thank those who made my shower such a success, especially the hostesses Mrs. C. Amatoto and Mrs. H. Veroni, of Blairmore, Mrs. O. #### MISCELLANEOUS SHOWER

A surprise miscellaneous shower was held in honor of Miss Vera McLeod, bride-elect of the month on Thursday, July 29 at the Nova Scotian Lodge. Whist and bingo were played, whist winners being Mrs. McDade, Mrs. J. Bayou, and Mrs. F. Beart. Bingo winners were Sheila Penney, Margaret Kennedy and Hilda Smith.

A dainty lunch was served by the hostesses after which the

honored guest received a number of lovely and useful gifts, for which she ably thanked the ladies present and all the ones

who sent their gifts but couldn't attend. Hostesses were Mrs. W. Smith, Mrs. E. R. Kennedy and Mrs. G. McIsaac.

## EVERYBODY'S BUSINESS

As a rule, the most interesting and successful people are those who have inquiring minds. They are always ready to learn more — from all sources, including other people.

Questions are keys to information that cannot be discovered in any other way. And you will get worthwhile information from people in all walks of life — if you are not too proud to ask for it.

Moreover, I find that people invariably "open up" readily in response to a query about their work, hobbies or some other subjects about which I have reason to suspect that they know a lot.

I try to summarize what I have learned. This, I find, helps me to remember the facts more clearly.

Use your powers of observation. You will find it a surprisingly big help in building for future success and enjoyment of life!

## Letter To The Editor

Coleman, Alberta  
August 3, 1948

Editor,  
Due to recent remarks by the citizens of Coleman in regards to the carnival at the arena on Friday and Saturday, July 30 and 31, I would like to explain that the Elk's Lodge, Coleman Branch, were in no way responsible. I wish you would publish the letter below which we received from the Rodeo Committee.

Coleman, Alberta  
June 23rd, 1948  
Secretary Coleman Elks,

Dear Sir:

The Executive of the Rodeo are asking if your lodge members would be kind enough to take over the management of our Night Show at our Rodeo July 31st and possibly July 30th. If your decision is favorable to taking this over with us, will you kindly get in touch with Mr. L. S. Richards or the undersigned, at our earliest convenience.

Thanking you for past favors, on behalf of the Coleman Rodeo Executive.

J. A. Park, Secretary.  
We do not wish to blame the Rodeo Committee for the poor showing in the arena but at the same time we are not at fault ourselves.

If you would be so kind as to publish this letter and so clear my organization, it would be greatly appreciated.  
J. M. RUSHTON, Secretary

## Progress In Literature

THERE HAVE BEEN MANY INDICATIONS during the past few years of the growing importance of Canada as a nation. In farming, manufacturing, trade and other fields of endeavor, this country, in spite of its relatively small population, has advanced to a foremost position in international affairs. Credit is due to those who have worked to bring prestige to Canada in industry and science, but there are also many who have brought honor to the country in the fields of art and literature. In this connection, it was recently announced that Canada now has a list of its own "100 best books," which has been compiled at the request of the Arts and Letters Section of the United Nations Educational, Scientific and Cultural Organization.

### Were Selected By Committee

The list of the 100 best books, written in English, was selected by a committee of eight judges, all outstanding Canadian scholars and critics. It was chosen for the information of people in other countries interested in Canadian literature, and includes books on a wide range of subjects, in varied styles of writing, representing the work of contemporary authors as well as those of earlier periods. Among the earlier writers whose work has been selected are the poets Bliss Carman, Duncan Campbell Scott and Archibald Lampman, the naturalists Grey Owl and Ernest Thompson Seton, the novelists Sir Gilbert Parker and Mauro de la Roche, the humorist Stephen Leacock, and the historical novelist Susanna Moodie.

### High Literary Standard Shown

Contemporary writers whose works were considered to be among the 100 best in Canadian literature included Kenneth C. Cragg, W. O. Mitchell, Audrey Brown, Hugh MacLennan, Kenneth Haig, Ross Munroe and many others. It would be most unlikely that there would be general agreement as to the choice of books placed on the list, since of necessity many fine books were omitted because of the limited number which could be chosen. There is no doubt, however, but that we have reason to be proud of the books which were selected to be recommended to people of other countries who are interested in the work of Canadian writers. Literary achievement is one measure of the rate of a nation's development and of its maturity. The preparation of the list of 100 books for the Arts and Letters Section of UNESCO has served to bring to the attention of the public the high quality which has been attained here in this important field.

### Atom Poisons Are Deadly When Taken Into Body

CHICAGO. —Atomic poisons, which Dr. Stafford Warren says may hang around dangerously for many years, have been explained.

Dr. Warren, one of the top medical scientists of the Manhattan District and the atomic bomb, showed delegates at the American Medical Association convention pictures of how these poisons work. All of them are radioactive atoms and nearly a dozen are deadly poisons if they get inside the body.

He said that after an atomic bomb war the poisons would fall into water supplies and areas where food is growing. They would be a risk to life, he said, unless doctors learn what to do.

These atomic things are slow poisons. They would take, Dr. Warren said, probably 15 years of scientific experiments to learn just how much of them people can be allowed to breathe in or eat without risk.

### STEALING IS NO LONGER LEGAL IN OLD CITY

ALBANY, Ore.—It's not legal to steal in this 84-year-old city any more.

Until now it was quite all right to steal things in Albany—provided you picked small items, worth less than \$30.

The city fathers found out when a petty larceny case came up in municipal court. There wasn't any ordinance in the book forbidding such trifles but the city council soon made it illegal.

### RULE WAS PROVING MUCH TOO EXPENSIVE

NEW YORK. Police waived a rule requiring lost property to be held six months before being sold to permit the sale of a pig. The pig taken over from two men who said they found it, ate at the city's expense for two weeks before police decided it could be too expensive to keep the animal.

### DOES INDIGESTION WALLOP YOU BELOW THE BELT?

Help Your Digestion "28" For The Kind Of Relief That Helps Make You Ready To Go

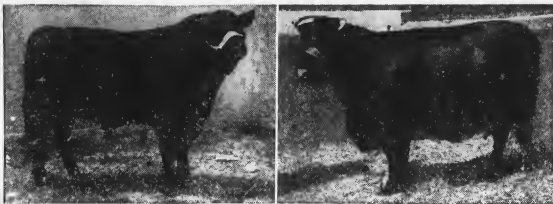

More than half of your digestion is done below the belt—in your 28 feet of bowels. So when indigestion strikes, try something that brings digestion in the stomach AND below the belt.

What you may need is Carter's Little Liver Pills to give needed help to that "forgetful 28 feet."

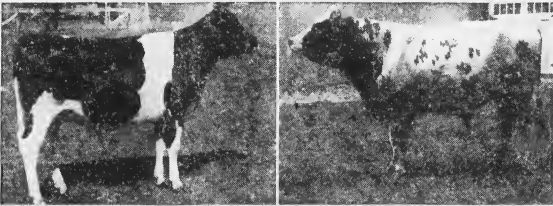

Take one Carter's Little Liver Pill before and after meals. Take them according to directions. They help wake up a larger flow of bile to make digestion easy in the stomach AND bowels—help you digest what you have eaten in Nature's own way.

Don't forget to take the kind of relief that makes you feel better after your meals—just take one more of the famous Carter's Little Liver Pills from your drugstore—28.

## GRATE GATE FOR AUTOS

Plan and elevation of a gate that allows cars to pass but keeps cattle and horses at home in their own pastures.

FOR those who drive automobiles a very handy thing is some type of gate which does not require that the driver get out of the car and will still hold livestock satisfactorily. In this respect the automatic type of gate will provide an answer, but a still better one is the ordinary "grate gate," also known as the "grate gate" and "Tennis gate."

A Negro was pleading his own case to save the price of a lawyer. He called the chief witness to the stand and said: "Joshua, where was I when we stole those chickens?"

"Oh, there," shouted the policeman, "where's your rear-light?"

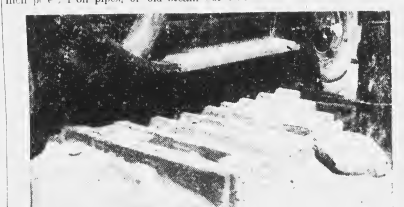

"I want to see where I'm going to, not where I've been," said the cyclist, disappearing into the darkness.

The umpire at the Saturday afternoon match didn't know much about cricket, but he wouldn't stand any nonsense. The first ball hit the batsman's pads.

"Out!" roared the umpire.

"Out, what for?"

"All the afternoon," replied the umpire.

Various types of gratings to confine livestock can be made. Here is one shown in actual use which consists merely of planks placed on edge and spaced together to form an open, shallow grating. To be 100 per cent. sure of stopping livestock the openings in the grating should be a little narrower and quite a little deeper.

### GOOD FISH STORY

FORT WORTH, Tex.—The trio of fishermen was having bad luck. Then a one-pound bass made a strike at a shad, jumped out of the water into the boat, and hit one of the anglers. He grabbed the bass, shad and all. Or so the story goes.

### Unusual Vessel Is Sailing Up Lakes

OTTAWA.—A 65-foot motor vessel in which the human doesn't even look where he's going is travelling up the Great Lakes. The boat—National Research Council's "Radar"—will put wartime radar to use in practical marine navigation.

The vessel is equipped with the most advanced types of radar. Steered "blind" from below decks, it can safely navigate narrow channels and come within 75 feet of buoys or wharves obscured by darkness or fog.

### GOODNESS PM, WHAT'S WRONG WITH YOU? YOU'VE BEEN BROODING FOR TWO WEEKS!

## Arctic Sailors Naturally Have To Eat Heartily

MONTREAL.—Baked beans with ham and eggs make up the favorite breakfast of the men who brave the ice floes aboard the Regina Polar, which has left Montreal on its annual trip to the Arctic. The ship, which has taken the place of the Nascope in supplying residents of the north with their yearly food supplies sailed out of port well stocked with provisions that are to sustain the crew throughout the 3½ months' voyage.

Clarence Rosner, chief cook and a former chef aboard a number of liners, told The Star that baked beans are especially preferred by the French sailors, who are 50 per cent. of the crew of twelve.

"We eat a lot of salt pork and beef, also," said Mr. Rosner, who had never been to Canada before. The English culinary expert listed the main items on the dinner menu at sea as "soup, a joint, swedes (turnips) and dessert" the latter being usually fruit or pie. Occasionally he tries fancy recipes, he said, though he attempts none of the 7-course banquets of passenger ships where "every entrée has a French name and something is always labelled something else."

The route which the ship is following goes first to Churchill and then makes six trips farther north, the most extreme point reached being Borset in Peleland. Supplies of meat are obtained in these regions for the return trip home.

The men get tired of never seeing women, according to Mr. Rosner. Evenings are spent with cards and books, and variations in the scarcity of "icebergs water and whales" occur in the brief stopovers along the way. And mealtimes become more than a matter of stocking up on vitamins in a life where other social diversions are few.

### RICE MAY COST MORE

MEXICO CITY.—A world rice shortage may boost prices for the 1948-49 crop, members of the 16-nation rice committee said. World price average may be slightly more than eight cents a pound.

## Ottawa Report Shows Butter Stocks Lower

OTTAWA.—The Bureau of Statistics has turned out a gloomy report on the butter situation.

It showed that total supply of butter—creamery, dairy and whey in Canada now is approximately 43,000,000 pounds, down 10,000,000 pounds from the supply position a year ago.

The figures include stocks up to the beginning of June plus production during that month, which amounted to slightly more than 44,500,000 pounds, 1,500,000 pounds ahead of June, 1947.

However, while butter production was up during June, the domestic disappearance of butter was the highest for any month this year, totalling nearly 32,000,000 pounds against 30,000,000 in May and 30,000,000 as well in June, 1947.

Although production improved during May and June, the bureau said it still was insufficient to "balance off" the deficit caused by heavy withdrawals from storage during the low production months of last winter, when butter became scarce.

In pounds per capita the domestic disappearance during June this year was 248 pounds against 233 pounds in May and 239 pounds in June last year. Rationing restrictions were lifted June 7 last year.

## Employees Of Restaurant Had Long Cold Wait

CLIFTON, N.J.—Twenty-three persons, "stored" in a refrigerator while a bandit looted a restaurant, thawed while the owner counted his losses.

A lone gunman locked eight employees in a big refrigerator while he waited for someone to open the safe.

As tradespeople appeared, delivering to the restaurant, they joined the employees—one by one—in the refrigerator.

Finally, Milton Turner, the owner, appeared and the gunman forced him to open the safe. Turner then joined the others in the refrigerator.

The bandit was rather considerate, though, said his victims, who were in a "serious state of shock" when police liberated them five hours later.

He tossed them all the coats he could find, and several bottles of whisky to help keep warm.

## Color Of Car Is Character Indicator

BALTIMORE.—The color you choose for your car gives an inkling of your character, a nationwide survey made by three automobile associations purports to show.

According to the color poll, "intellectual people prefer blue, athletic, red; egotists, yellow, and extroverts, orange."

The survey also shows that color preferences vary by regions. In the southwest, vivid colors are preferred. On the Pacific coast, light pastel tints are chosen. In New England, subdued blues, greens and grays are favorites.

## MARBLE IS PLentiful IN ALABAMA TOWN

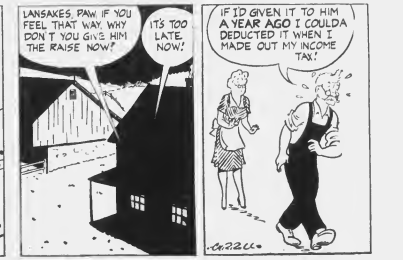

SYLACAUGA, Ala.—Residents boast that this is the only town in the nation with a marble filling station. Situated atop one of the best marble veins in the U.S., Sylacauga has marble sidewalks, marble fountains, marble fences and marble driveways.
